

MERICHEM

To whom it may concern:

Worldwide Cad Technology has been performing drafting services for our company over the last three years. They have been very reliable, as well as a cost effective alternative for our drafting needs. I highly recommend them as a company that you can depend upon, especially when you are in need of an expedient turn around on an important project.

Sincerely,

A handwritten signature in black ink, appearing to read 'Lynn D. Larremore'. The signature is fluid and cursive, written over a few lines.
